CBN Member Benefits

Vision:

That brownfields reuse be the preferred land development solution

Mission:

The Canadian Brownfields Network is a multi-disciplinary expert-based organization of passionate professionals focused on advancing solutions to brownfield redevelopment.

Conferences, Webinars and Award Ceremonies:

Access to the Annual Conference at reduced Member Rate, whether virtual or in-person - CONNECT, LEARN, SHARE and MEET. Attend webinars on important topics and participate in ad-hoc events such as the Brownie Awards and the HUB Awards which CBN co-sponsors.

Networking:

Get connected to experts, peers and solution providers; in the commercial real estate, development, environmental consulting, government, legal and remediation industries. Expand and build your networking community nationally with multi-disciplinary colleagues interested in breaking brownfield barriers.

Advocacy:

Shape government policy through interactive discussions, suggestions and proposals to regulators and influencers. Join the Technical Advisory Committee, Development Committee and Government Relations Committee to offer your expertise.
