Executive Director's Message: Summer 2022 Update

Tammy Lomas-Jylha, Executive Director

It's sad to say, but summer is almost over. It's time to get the kids ready to go back to school, and for some, back to the office on a more frequent basis.

But if there is one thing to look forward to in the fall, it's the many excellent events that are offered for brownfield professionals across Canada. [Read More](#)

Upcoming Webinar

CBN's webinar, ***Strategies for Utilizing Brownfields in the Delivery of Affordable Housing***, on Tuesday, September 27, will use case studies to explore how municipalities and the private sector are working together to deliver affordable housing while supporting the reuse of brownfield properties, addressing two important public policy objectives. The lessons learned will benefit the spectrum of stakeholders working to deliver affordable housing, as well as, brownfield practitioners, including municipal leaders, developers, and the range of consultants that collectively work to achieve the desired outcomes.
